

MISKWABI AREA WATERSHED PLAN ORDER FORM

Four years in the making, the Miskwabi Area Watershed Plan is a living document designed to inform, entertain and provide framework for the preservation of the values we all share. 72 full-colour pages of geological and natural history, area maps, social history of the area and comprehensive recommendations, all illustrated with original artwork and photographs from local area folks. An introductory DVD with photos/artwork and original music accompanies the book.

Cost: \$5.00 mailing plus a donation to help cover the production costs of the plan.
